

LÜFTNER CRUISES

AMADEUS BRILLIANT

At 110 meters in length, the AMADEUS Brilliant combines refined luxury with an intimate, relaxed ambiance.

With fewer guests on board, the vessel offers a more personal cruising experience and the unique advantage of navigating Europe's narrower waterways, such as the enchanting Moselle and Saar rivers. Everywhere you sail, you'll enjoy our signature AMADEUS comfort and service. Panoramic windows and French balconies frame ever-changing riverscapes, bringing the beauty of Europe directly to your door. As evening falls, the Panorama Restaurant, Bar, and Lounge come alive with music, conversation, and exquisite four-course dining. From tulip fields to fairy-tale castles, from picturesque villages to majestic cathedrals, every journey aboard the AMADEUS Brilliant promises unforgettable memories along Europe's legendary rivers.
