

Paris for Parents

“A walk about Paris will provide lessons in history, beauty, and in the point of Life.”

- Thomas Jefferson

Go on a French culinary walk

Paris has it all – culture, art, fashion, architecture, food. It can also be the perfect playground for children. But how best to capture all that Paris has to offer without it being boring or overwhelming?

Family Twist is the answer. Magali Dechelette and her team design hassle-free trips to Paris for families, opening secret doors to offer unique and comprehensive breaks that include a wide range of fun and educational activities.

Family Twist's bespoke solution ensures a holiday that is perfect for your family. A taxi driver will be waiting for you as you step off the train, ready with baby or booster seats. Your accommodation will be carefully selected to suit your needs - from hotels with interconnecting rooms to fully-equipped apartments. The Family Twist welcome pack will

include your travel pack, pre-booked tickets (Eiffel Tower anyone?), notebooks for the children, tips on where to eat and shop nearby, emergency numbers – everything to make your trip relaxed and easy.

Dread dragging your children to a museum? Take them on a private treasure hunt round the Louvre instead. Discover the delights of French food on a culinary walk before a baking lesson in a cooking class especially designed for kids. Explore the city's art and culture with a personal, hands-on art workshop. Then zip through the city in a classic Citroen 2CV to soak up the atmosphere.

Whatever you choose, you can be sure that the personal experience of Paris that Family Twist create for you will live with you and your children for ever.
