

B7000 OVER

Design: Efrem Bonacina e Giovanni Moro

Razionalità ed emozione.

La collezione Over propone un utilizzo armonico di materiali altamente tecnici plasmati da forme morbide, senza tempo.

L'accessorio da bagno raggiunge così nuovi ed evoluti standard di riferimento, svincolandosi dal tradizionale concetto di applicazione attraverso l'utilizzo di un sistema di fissaggio a muro con adesivi tecnologici.

Over di Colombo Design: la scelta per chi vuole di più, anche nel proprio bagno.

Rationality and emotion.

The Over collection offers an harmonic use of highly technical materials modeled by soft shapes, timeless.

The bathroom accessory reaches in this way new and advanced standard, freeing themselves from the traditional concept of application through the use of a wall fastening system with technological adhesive.

The Over collection of Colombo Design, the choice for those who want more, even in their bathroom.

La collezione Over è stata appositamente progettata per un fissaggio a muro e vetro ottenuto con uno speciale nastro biadesivo in schiuma acrilica ad alte prestazioni (3M™ VHB™). Le caratteristiche tecniche di questa serie, unite ad un sistema di montaggio semplice e rapido, consentono un utilizzo dell'accessorio in condizioni difficili senza mai pregiudicare la tenuta e l'estetica. Le strisce biadesive sono già premontate sul pezzo e, per la preparazione della superficie del muro, all'interno della confezione sono presenti un kit di pulizia ed uno stick con il primer/attivatore. **Attenzione:** si sconsiglia l'applicazione dei pezzi su superfici particolarmente ruvide o poco compatte, così come su intonaci o muri grezzi.

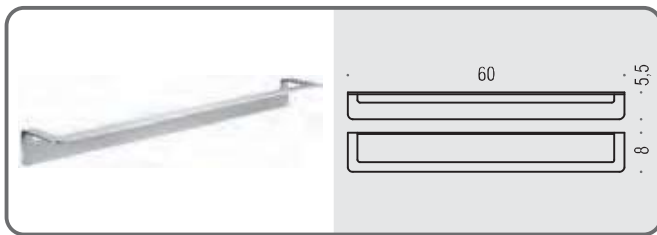

The Over collection has been specially designed for a wall and glass fixing with a special high performance double sided acrylic foam tape (3M™ VHB™). The technical characteristics of this collection, combined with a quick and easy mounting system, allow an use of the appliance even in difficult conditions without ever affecting the aesthetics or the durability of use. Adhesive strips are already preassembled on the piece and, for the preparation of the wall surface, inside the box there is a cleaning kit and a stick with the Activator/primer. **Attention:** we do not recommend the application of the pieces on surfaces particularly rough, as well as on painted walls.
