

With **Contenur's** wide range of litter bins, you know you can put the right container in the right place. Manufactured in compliance with the strictest quality standards, our products are designed to look good and be highly functional at the same time.

Easy to clean, they have been designed to maximise the efficiency and speed of waste collection while being highly damage resistant, which makes them very pleasant to use.

Contenur litter bins come in a wide variety of designs, ranging from the hard-wearing and functional Goya and Din, to the most stylish and elegant models, such as the Millennium and Europa.

They are made from polyethylene, steel or cast aluminium.
