# ITALY

Italy captures the imagination from the very first moment. From the grandeur of opera houses to its heritage of art, cuisine, and culture ignites the senses at every step. Visitors can wander through ancient Roman ruins, marvel at Renaissance masterpieces, lose themselves in charming medieval towns, or take in the postcard-perfect beauty of the Amalfi Coast. Italy is a symphony of history, artistry, and flavor, offering an experience that feels both timeless and unforgettable. Picture yourself gliding in a gondola along Venice's Grand Canal, gazing at Florence from the summit of Brunelleschi's Duomo, or embracing the cosmopolitan energy of Milan. The possibilities for exploration in Italy are truly endless.

Beyond its iconic cities and landscapes, Italy's spirit lies in the small moments. Sipping espresso at a sunlit piazza, sharing homemade pasta in a family-run trattoria, or hearing church bells echo across cobblestone streets, all of these experiences weave together the heart and soul of the country.

Each region tells its own story, from the rolling vineyards of Tuscany to the sparkling shores of Sicily. Whether you're seeking adventure, culture, or relaxation, Italy provides a journey that resonates deeply and lingers long after the trip has ended.

**DAY 2 | TUE | VENICE** Your morning walking tour of Venice starts from St. Mark's Square. Often called "the drawing room of Europe" by Napoleon, it's the principal public square in Venice and serves as a vibrant cultural, religious, and political center. Surrounded by stunning buildings, each with its own unique architectural style, it reflects Venice's rich history and artistic heritage. End the tour with a stop at a "Bacaro" for a "cicchetto". The Bacari, also known as cicchetti bars, are part of the local heritage of food in Venice and they are found in large numbers scattered throughout the historic center. Going for a bacari tour is a local habit but it is also a tasty and convivial pleasure! **DAY 3 | WED | VENICE | MARANELLO | MODENA | FLORENCE** This morning depart Venice and stop in Maranello, home to the Ferrari Museum! After an independent visit of the Museum we will continue to Modena where you'll be treated to a special balsamic vinegar tasting session plus lunch, featuring local specialties and Lambrusco wine. After lunch continue to Florence, the home of Michelangelo. (B,L)

At the end of the tour you will be treated to a delicious gelato tasting. Legend has it that gelato was first created in Florence. The Medici Family commissioned Bernardo Buontalenti to organize their banquets, and he gave vent to his creativity by inventing a new recipe for a dessert based on milk, honey, egg yolk and a touch of wine. Settle into your hotel and begin soaking up the atmosphere of this world-famous island.

**DAY 2 | CAPRI** This morning, a private guide unveils the highlights of Capri. Travel by reserved vehicle along scenic roads edged with luxuriant gardens and fragrant Mediterranean scrub, climbing toward Anacapri, the quieter sister village perched on the slopes of Mt. Solaro. Enjoy leisure time wandering charming streets and artisan shops, or ride the chairlift to the summit of Mt. Solaro, the island’s highest peak, for sweeping views of the Tyrrhenian Sea. Capri’s magic is incomplete without a visit to the Blue Grotto (weather permitting) — the island’s most iconic natural wonder.
