CROSS-MEDIA APPROACH

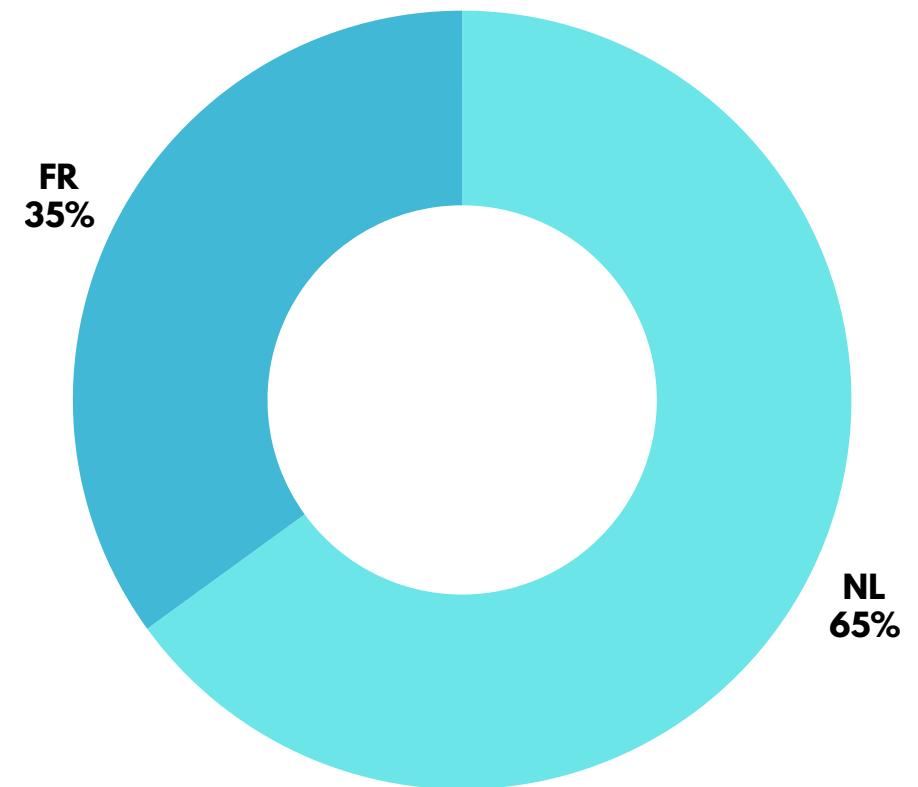

PUB is the market leader (French and Dutch) in the field of professional information for the media, advertising, marketing, creation and communications industry.

The online and offline platforms focus on marketers, communication specialists, media professionals and students who want to be at the forefront in their field.

- » **PUB.BE > 26k unique viewers**
- » **PUBNEWS > 4.3k subscribers**

PODCASTS, PARTNER CONTENT & EMAILING SERVICES

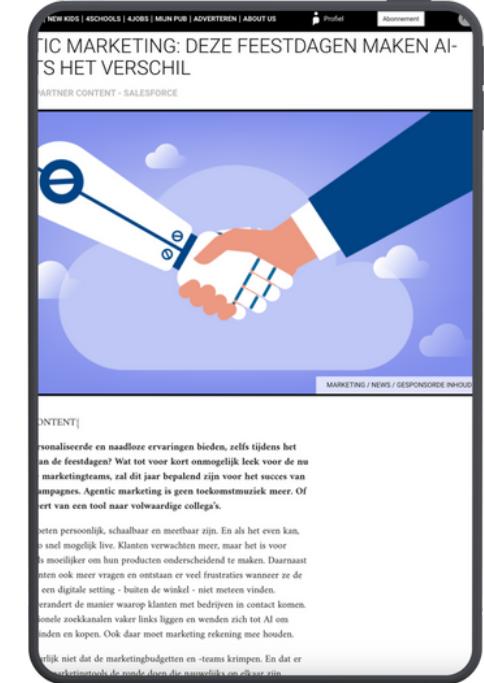

Podcast is the ideal support for presenting a genuine idea, company or personality. Our journalists guide the conversation. Podcasts are recorded in our professional recording studio. They are promoted via our platforms and the major podcast apps.

Thanks to its expanded database (PUBNews + PUB4Schools), PUB offers you unrivalled reach in the sector! Contact us to find out about the different services we offer (such as Partner Content and e-mailing services).

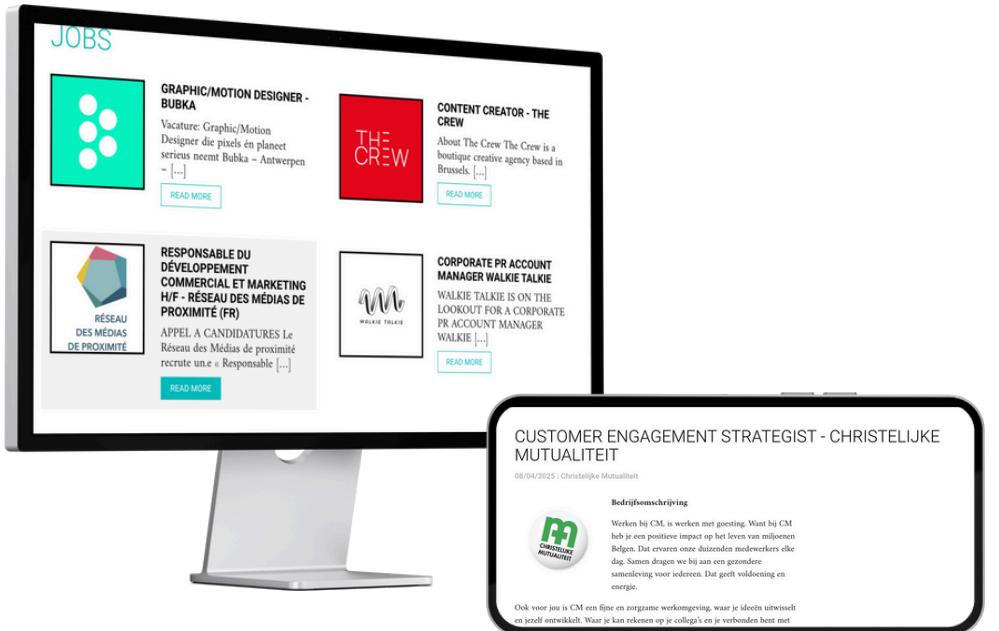

Examples:

PUB XP

PUB organizes various large and smaller conferences every year.

At and around these events we offer various options to profile your company in terms of both branding and content (e-mailing, magazines, podcasts, videos, partner content, ads,...).
