

Ref.: 17905*

USE

Professional manual cutter ideal for diagonal cutting. With highly accurate rotating square.

For FREQUENT cutting of porcelain tiles and INTENSIVE cutting of wall tiles and glazed stoneware tiles.

FUNCTIONAL CHARACTERISTICS

Multipoint breaker equipped with MAGNET system. Higher operating SPEED thanks to the setting and dismantling of the scoring positions and breaking with one hand.

Dual guide for greater VISIBILITY of the scoring and cutting line.

20 mm diameter, solid, chromed, ground and calibrated steel guides with anticorrosion treatment.

REINFORCED guide supports for greater robustness and durability of the cutter.

Soft-grip grip. Improved ERGONOMICS for the work.

High-strength cast aluminium base. Floating support base with damping effect that aids breaking.

Cast aluminium rotating square with laser etched millimetre scale for more accurate measurements and angular cuts. *Available in inches (ref. 17907).

Resized lateral stop for improved hold and ACCURACY. Manufactured in technical plastic.

Scoring wheels of 6 mm to 22 mm ADAPTABLE to each material to obtain maximum PERFORMANCE and cutting quality in each case.

Includes standard 6 and 10 mm scoring wheels. Transport case included.

TECHNICAL SPECIFICATIONS

- Length of cut: 60 cm.
- Maximum diagonal cutting size: 42x42 cm.
- Cutting thickness: 6-15 mm.
- Maximum breaking power: 800 kg.
- Net weight: 14.2 kg.

PACKAGING

Cardboard box per unit with RUBI printed logo.

Dimensions of box: 85x34x16 cm.

Sales unit: 1 unit.
