

ELECTRIC CUTTERS

ND-200

**Features:**

- Range of portable cutters, ideal for indoor work.
- Safety heat shield.
- Immersion disc cooling.
- For stoneware, tiles, ceramics, refractories and other materials.
- 1.5 m power cord.
- Stainless steel folding platform for mitering.
- Direct transmission.
- With lateral stop for repetitive cuts. (In the case of the ND-180-E, the aluminum rails disappear and the stop is mounted directly on the platform, thus reducing the functionality of the stop from 45 cm to 20 cm.)
