

Ref.: 11973

Ref.: 11975 (INCH. VERSION)

USE

Single guide manual tile cutter with multipoint breaker and swivel square for higher precision in angle cuts.

Ideal for INTENSIVE cut of any kind of ceramic tiles. Also ideal for porcelain stoneware (Bla/Ala).

KEY FEATURES

Steel rectangular guide of 12 mm thickness. High resistance to lateral bending.

RUBIFLEX handle for higher ERGONOMICS and COMFORT.

Laser engraved aluminium swivel square with central pivot. Higher PRECISION in angle cuts.

Operable with a single hand.

OTHER FEATURES

Assembly designed to be used by pushing the handle forward.

MULTIPOINT breaker with foldable pressure pad (folds when scoring and unfold when raise the handle).

Injected Aluminium base for a higher ROBUSTNESS.

With lateral stop for repetitive cuts and narrow strips.

Equipped with 4 supplementary arms for large ceramic tiles.

Includes Ø22 mm EXTREME scoring wheel. For ROUGH and SSTRUCTURED tiles.

Also compatible with Ø22 mm scoring wheel (ref. 18914) for smooth surface tiles.
