- Specially focused on landscaping materials.

FUNCTIONAL CHARACTERISTICS

- Diamond grits with a special heat-resistant coating to avoid the blade burning and to extend its life.
- For using with grinders, TC-125 or compatible circular saws.
- PRO quality.
- Turbo blade: Fast cut.
- Good finish.
- Long life.
- Available in two diameters:
 - o Ref. 34903: 4"
 - o Ref. 34904: 4 ½"

TECHNICAL SPECIFICATIONS

- Recommended working speed:
 - o 4": 13300 rpm.
 - o 4 ½": 12250 rpm.

PACKAGING

- Sales unit: 1 unit.
- Presented in a transparent plastic blister.
- Dimensions: 17,8 x 15,9 cm
- Weight:
 - o 115 mm: 0,116 kg
 - o 125 mm: 0,131 kg
