

Ref. 27913

USE

- Multipurpose WIRELESS, BATTERY POWERED electric mixer for the mixture of cementitious adhesives, resins, paints and other materials.
- Perfect for all those jobs in which the transportability, comfort and manageability of the mixer are essential factors.

FUNCTIONAL CHARACTERISTICS

- PREMIUM quality electric mixer.
- BRUSHLESS motor with electronic control. It does not need maintenance and increases the life of the product.
- Powered by Li-Ion battery 18V 5.2Ah.
- Attractive design, LIGHT and RESISTANT. Maximum RELIABILITY.
- Double handle with bi-material handle. Greater ERGONOMICS, COMFORT and STABILITY.

OTHER FEATURES

- Equipped with 2-speed mechanical gearbox.
- Progressive switch (rpm regulation) to OPTIMIZE the mixing of each material.
- SAFETY switch lock. Avoid involuntary start-up.
- LED battery charge level indicator.
- Connection to mixing rods with M14 thread and FAST-IN adapter.
- Greater SAFETY thanks to its double insulation of the motor.
- Variants:
 - o 27913: 230 V 50-60 Hz EU
 - o 26570: 220-240 V 50-60 Hz EU. Includes mixer, battery and charger
 - o 26571: 230 V 50 Hz UK. Includes mixer, battery and charger
- Items included:
 - o Mixing rod Ø120 mm with 3 propellers, removable, for mortars and cementitious adhesives.
 - o FAST-IN adapter.
 - o Transport suitcase and tool kit.

TECHNICAL SPECIFICATIONS

- Power supply: Li-Ion battery 18V 5.2Ah (DC, continuous).
- Speed 1: 420 rpm / 13 Nm
- Speed 2: 700 rpm / 7.7 Nm
- Maximum recommended mixing capacity: 25 Kg
- Ø Maximum mixing rod: 120 mm.
- Connection thread: M14x30 mm female for 19 mm wrench.
- IP mixer: 20
- Machine (mounted): 340x185x935 mm (with FAST-IN) / 340x185x905 mm (without FAST-IN).
- Working height: 840 mm. (with FAST-IN) / 810 mm. (without FAST-IN)
- Machine weight: 5 kg
- Suitcase weight: 3.75 Kg (ref. 26155)
- Luggage dimensions: 465 x 405 x 240 mm
- Mixing rod weight (included): 0.85 Kg
- Total net weight of the product: 8.6 Kg
- BATTERY:
 - o Battery type: Li-Ion 5.5Ah
 - o Battery level indicator: Yes, by button with 4 coloured
 - o LEDs (3 green + 1 yellow)
 - o IP battery: 20
 - o Battery weight: 0.695 Kg
