

Ref. 15999

USE

- Professional double-guide ceramic tile cutter with multi-point separator and fixed square.
- Perfect for FREQUENT cutting of porcelain stoneware, and INTENSIVE cutting of tiles and glazed stoneware.

MAIN FEATURES

- Double-guide manual cutter in PRO quality.
- The sliding of the carriage and the scoring is SOFT and PRECISE thanks to the 2 lineal bearings on the \varnothing 20 mm chrome-plated steel guides.
- Multi-point separator made of die-cast aluminium, with MAGNET breaking mechanism for FASTER use. The locking and unlocking of the separator for scoring and separating is done with just one hand.
- LIGHTWEIGHT and STRONG cutter thanks to its extruded aluminium base, with open profile tubular design and steel rib reinforcement.

OTHER FEATURES

- The bi-material base foams provide a 2 mm thick rubber layer that offers an excellent durability and resistance to ceramic friction.
- Soft-grip handle for greater ERGONOMICS and COMFORT.
- Fixed square with die-cast aluminium side stop for repetitive cuts and narrow strips with dual scale (mm and inches) and reinforced plastic fixed square for 45° cuts.
- Two integrated supplementary arms for greater stability in large-format ceramics.
- Includes carrying bag and \varnothing 8 mm SILVER roller.
