

Ref. 52996 KIT TC-125 G2 230V 50/60HZ UK ALL IN ONE

Ref. 52994 KIT TC-125 G2 120 50/60HZ USA ALL IN ONE

Ref. 52995 KIT TC-125 G2 230V 50/60HZ ALL IN ONE

USE

- Modular manual and electric cutting machine all in one for porcelain tiles up to 150 cm long and up to 20 mm thick.
- Easily expandable with optional extra guides.

MAIN FEATURES

- 2 cutting options: Manual cut / Dry or wet electric cut with plunge effect.
- Allows electric straight tile cut till 25 mm thick and mitre cut till 18 mm thick.
- Manual great separation power with included Dual-function pliers.
- Perfect finish without chipping thanks to the better grip of its pivoting scoring head, with perfect sliding on the guide, and its scoring wheel Extreme of 22 mm diameter.
- "No steps" feeling thanks to the perfect height positioning provided by the shape of truncated rectangle pyramid of the connectors and slot.
- Perfect hold of the set on the workpiece thanks to two suction cups for rough surfaces and two quick clamps that avoid any movement of the guide while cutting.

OTHER FEATURES

- Three 65 cm extruded aluminium guides that can be linked together for cutting tiles up to 1.50 m.
- SUPERPRO category for professional use.
- Includes TVR diamond blade Ø125 mm (5")
- Transport case and bag included.
