- Site visit and surveys.
- Drawing of all plans (Vectorworks).
- 3D models and photorealistic renders (SketchUp/V-Ray)
- Supervision of event set-ups

Feb. - Aug. 2025 Paris
**Architecture & Store
design Assistant** Kenzo

Design of the fashion brand's international retail stores, from concept to completion.

- Project drafts, drawing up plans (AutoCAD)
- Creating 3D models and realistic renderings (SketchUp/V-Ray)
- Preparing detailed construction documents
- Researching materials and new concepts, designing furniture in collaboration with the Visual Merchandising team

April - Aug. 2023 Brooklyn, New York
Design Assistant Square Design Inc.

Set design and window displays for Loewe, Ralph Lauren, Dior, Macy's, NASA, La mode en image, Bureau Betak, Maison Eugénie

- 3D modelling (SketchUp/Fusion 360/Rhino)
- Preparation of project sketches and tender documents
- Supervision of event set-ups
- Preparation of client presentations
- Site visits and measurement surveys

July - Aug. 2022 & April - July 2021 Nice
**Interior architecture
internship** Estelle Griffe

Design of interior architecture projects for private residential clients.

- Drawing project sketches and technical specifications (AutoCAD)
- 3D models and realistic renders (SketchUp)
- Site visits and site supervision
- Research into materials and contact with suppliers
- Revision of the agency's visual identity

My diverse experiences have taught me to adapt quickly to any new working environment. I am thorough and a quick learner, and I am able to contribute effectively to a team whilst ensuring the quality of projects.
